

Regular Full Time Shift Employee Unscheduled Overtime

Scope:

An unscheduled overtime rate shall apply to any Regular Full Time Shift Employee who is not scheduled to work on a specific regularly scheduled shift.

Qualifications for Unscheduled Overtime:

- A. Signal 23 Callback,
- B. Attends mandatory fire or EMS training classification (determined mandatory by the Executive Staff) or attends mandatory meetings.

Compensation Factor:

This unscheduled overtime will be compensated by taking the hourly rate and multiplying it by one-and-one-half then adding the published hourly overtime rate for the State Training Incentive Program for any member participating through the Burlington Fire Protection District in that state program.

Approval:

The Chief, Assistant Chief or Shift Supervisor must approve ALL unscheduled overtime.
