

DEFERRED COMPENSATION PLAN

Scope:

A Deferred Compensation Plan is made available for all full-time employees. Deferred Compensation is a voluntary program that each employee may participate in and, at no cost or contribution on behalf of the district. This plan consists of a group of investment options such as growth funds, money market funds, bonds, etc. that the employee may participate in. The Executive Staff will be able to assist the employee with the necessary paperwork and give the employee a list of the investment options that are available. This plan is made available to the employee through the Kentucky Public Employee Deferred Compensation Authority, Frankfort, Kentucky.
